Legend									
Source: the skill is learned from: (t)rainer, (d)rop, (v)endor, (q)uest, (l)discovery. If (d) or (v), there is a Recipe - see Alchemy Recipes sheet									
Elixir: (b)attle elixirs or (g)uardian elixirs, or both (bg) - you can only have one of each in effect at any given time.									
(2.2) new potions from Patch 2.2 in Public Test Realm at time of this publication									

Notes									
Potion of Curing was: Elixir of Poison Resistance									
Flask of Pure Death replaced Flask of Shadow Fortification in Patch 2.2									
Flask of Blinding Light replaced Flask of Arcane Fortification in Patch 2.2									
Cauldrons are "conjured" items, and disappear within 15 minutes of logging out. They will provide soulbound potions to party members; but only one can be held at a time - you can't cast a cauldron and then pick up 25 potions yourself.									
Patch 3.0.8 (2009/01/20) removed the Alchemy Lab requirement from all Flask creation
