Notes

"Level" columns indicate the level to craft the item, and the character level required (if any) to use the item.

"P:" = "Pattern:"

Vendor "Sell" prices with an asterisk (eg: *6g) indicate a limited supply.

AH (Auction House) prices are rounded - they will vary greatly over time and between servers and factions

Vendor prices are based on Neutral reputation. Discounts are Friendly: 5%; Honored: 10%; Revered: 15%; Exalted: 20%

BoP (Bind on Pickup) items can be sold to a vendor but not at auction

"random" means the recipe may drop from any creature in the area mentioned (also known as a "world drop")

"various" means there is a list of specific creatures (too many to list here) that drop the recipe (also known as a "static drop") (see WoW databases)
