Requirements: Faction, Level, Prerequisites; Unfriendly, Neutral, Friendly, Honored, Reversed, Exalted

N means Neutral or greater; =N means Neutral ONLY; <=60 means level 60 or possibly lower; >(F, 60) means some combination greater than (Friendly AND 60)

Quest Chains are numbered. Omitted numbers mean intermediate quests provide NO reputation points for this faction

**Notes**

*It might be advisable to run Hellfire Citadel Instances until reputation is no longer gained (mid-Honored?) and THEN undertake the quests in the zone.*

There were ongoing problems with the Citadel's Reach quest chain during beta - it has not yet been seen in BC - perhaps it was removed?

The [Burning Legion Missive] is dropped by Arix'amal, at Invasion Point: Annihilator

The [Eroded Leather Case] is dropped by any [Crust Burster] south of Honor Hold

the [Primed Key Mold] drops from Smith Gorkunk, on Atamal Terrace, Shadowmoon Valley

[A Mysterious Tome] drops from any Unyielding Knight at the Expedition Armory

The [Ominous Letter] drops from Vazruden the Herald in Hellfire Ramparts

**Rep Grind**

These numbers will be reduced by any reputation quests completed (above)

Reputation Level	Quests, Instances	Notes
For Friendly (3000)	Ramparts and Blood Furnace	repeatable PvP quest gives faction until halfway through Honored
